## STUDENTS

*Learn a new skill, become the master of your career!*

With a huge demand for apprenticeships, in a vast array of sectors, this is your chance to meet industry experts and learn first-hand how to turn your passion into a career.

## PARENTS

*Apprenticeships are no longer just vocational*

In recent years, apprenticeships have undergone a dramatic change, and now range across many industries including project management, digital marketing, aerospace engineering, I.T specialists, boat building, and many more. Apprenticeships offer brilliant opportunities to help your child develop a wide range of skills and open up exciting careers, whilst earning while they learn.

At WorldSkills Ireland 2023, you'll have exclusive access to some of the country's most innovative and exciting companies where you can speak to the experts and find out all about their apprenticeship opportunities, alongside Further Education Training providers that can help your child carve their path to career fulfilment. You'll also hear plenty of success stories from industry representatives, that will inspire and excite young people about their future and the endless opportunities that are available to them.

**Do you have a child in secondary school? Then come along to our Parent's Focus day on Friday 27th September. Two Parent's Clinic panel discussions will take place on the Heroes Stage. Don't miss this opportunity to hear from the experts from a wide range of educational Institutes and advice authorities.**

## TEACHERS

*A live celebration of apprenticeships, skills & careers to inspire your students*

Further education training, higher education training and apprenticeships are top of the agenda. With an expanded portfolio of skills and competitions, there's something to

ignite a passion for every student at WorldSkills Ireland 2023. Excite your students with the wealth of options that are available to them!

## INDUSTRY

*Support Ireland's future workforce*

Invest in our nation, strengthen our trades and skills culture and help to build Ireland's future workforce. Across three days, business, education and Government will be brought together to inspire, develop and innovate excellence, giving young people the best start to their careers, and giving businesses an opportunity to engage with thousands of eager, talented students.
